

AREA 17 GOVERNOR REPORT

Area 17 has started with a positive outlook from all clubs. With distance in mind I have been keeping in touch by phone and email with the clubs on the Clarence.

Last Saturday we had an Area meeting we all travelled to New Italy for coffee and meeting at the Museum Café. This is about half way for all clubs. I had representatives from 4 of the 5 clubs there. The meeting discussed the Area Conference to be held in Lismore on 20th October 2012 and also how the clubs were working through their HPL. Program This I will go into more detail with the clubs on my visits.

Membership Yamba Yabbies Club have had 2 new members since July 1st, Summerland has 1 new member.

I have been working closely with Southern Cross University Club, and have visited them twice. I am expecting to have some members attend Summerland Speech contest night on 22nd August, for experience.

I will start my Area Visits on 28th July with SCU Club, the other clubs will be during September.

Mary Ford DTM
Area 17 Governor.
