

AREA 30 GOVERNOR REPORT

I visited all clubs in July as a way of meeting the new executive and becoming acquainted with the club. The current summary of the progress of each club is as follows:

Ballina Club

Ballina Club have had a wonderful start to the new year. They have obtained one Competent Communicator, an Advanced Leader Bronze and a Competent Leader. They have another member currently working towards an award. Their club competition will be held on 11 September.

Byron Cavanbah

Byron Cavanbah is a club that has a number of members that are transient ie they come in and out of the club. This has an impact on continuity and the application of the Toastmasters framework. I am working with the president to introduce a more robust Toastmasters framework in the club this year.

Lennox Lightning

So far Lennox Lightning has registered a Advanced Communicator Silver and a Competent Communicator. They also have a Competent Leader and an Advanced leader Bronze to register. Charlie Starrett conducted an educational session on 7 August on the use of stories in speeches. The club competitions will be held on 4 September.

Mullum Magic

Mullum Magic is the strongest club from a membership perspective. No awards have been registered for members. Recently their founding member, Toni Purdy visited the club. Their club contest will be held on 10 September 2012.

I will be meeting with all the Area Governors on Sunday 26 August to review the performance of each club and to plan our Area Conference which will be held on 21 October at Tintenbar Hall. Tintenbar.
