

AREA 6 GOVERNOR'S REPORT

The beginning of the Toastmaster's year has been very busy; however I feel I am slowly settling into the role.

I have had one Area committee meeting to-date with all but two members attending. First we discussed my goals for the Area, followed by a discussion on the Area Conference, the DCP & moments of truth and how we can work together as a team to become a Distinguished Area. We also discussed club growth & the need to help grow Robina Sunrise & Oasis on Broadbeach reach charter strength. We also briefly discussed the official club visits & reports. Finally we completed the Area Team Charter, to be reviewed throughout the year.

There are currently two speechcraft courses being run in the area, with Jackie Hamilton coordinating them with the assistance of members from all four clubs. One is a community speechcraft course being held at Robina Sunrise & the other is a corporate one being held for NMG in Broadbeach. There has been very positive feedback from both Courses. A big thank you to Jackie for taking on the challenge of coordinating them.

I am holding my second committee meeting this week to focus on the planning & organising of the Area Conference which will be held on the 28th of October at the Prana Centre, Nerang.

I am planning my official club visits in the month of September to ensure I have my reports completed & submitted by the end of September.

All in all it has been a very eventful first two months, with many different tasks being coordinated at once to drive Area 6 forward.
