#### Membership

I urge members to share the good news about Toastmasters and invite a guest. All you need is a net growth of five members or be at charter strength to show that important membership standard has been met by your club. Membership in the West is still our greatest concern, but we are growing slowly and the statistics attest to that. Remember that when your Club began, it was at charter strength of 20. Be Positive and rekindle that flame!

#### Western Division Conference was Fabulous

Congratulations to everybody who participated and attended this Toowoomba event. Our first place getters will proudly go on to represent us at District. To our other competitors congratulations, you all gave your best on the day and demonstrated dedication to excellence. Special thanks to Graham Miller, Chief Judge, District 69 Charlie Starrett for his presentation, Gary Palmer for MC for the day and to our Area Governors, A1 Liz Hudson, A11 Hedda Pike, A12 Eve McIntyre, A 25 Kate George, A29 Robert (Wylie) Stevens, A31 Desley Buchan, who all made 3.3.13 memorable. Thank you Treasurer Brock McIntyre for taking care of finances.

#### New Clubs

Toowoomba Regional Council club chartered in March, TRC Toastmasters Club. We have other clubs with high hopes namely Warialda, Highfields, Tenterfield and there is a hint of USQ Toowoomba and possibly Boonah.
