

REPORT OF THE METROPOLIATION DIVISION GOVERNOR

Objectives of the Division

Succession planning - the Division welcomes on board Beverly Seawright as Assistant Division Governor newly appointment role from April 2013 to April 2014. The main function of the role is to support the incoming Area Governors with their conferences and club visits. This role in the future can be the transition into the Division Governor Role. This role is vital to maintain the continuing vision for the Division. We now have 6 out of 7 nominees for Area Governor roles We do have members who are now being engaged with the Division and transitioning into the team to be possible future leaders. Past Governors now will be engaged to meet DTM and provide mentoring for the future leaders.

Regular business meetings (5 a year); The Division has had 3 council meetings which has been highly successful in the delivering the needs and maintain the objectives. Many of us have increased our Parliamentary skills and move towards action.

Current Training Needs; Leadership Training (Club Officer Training) both strong numbers in July and February training. Judges training is high on the agenda. Future short video training to support training needs. PET's is back in 1 June for incoming Presidents; Area Governors and Division Governor. Parliamentary; Internet and Computer skills training

Collaboration and Standardisation aligned with District 69 Strategic Plan: Moments of Truth as part of the Leadership Success Series is on the agenda. We will be looking at promoting the strategic plan through clubs. Areas working closer together.

Development of current and new members: The Division has a strong commitment to member development. The Division has put out Expression of Interest for future projects and roles in the Division. We are currently in development of Youth leadership committee headed by Leigh Oke. Developing a strong future mentoring and coaching program. We now Resource Website Project through a HPL project headed up by Jenny Owens (VPE, Healthy Chatterers). We have seen over 73 members reach their educational goals

Streamline Communication: Developing a new look for Metro Division Website, this is main hub for all Communication, Barry Bayliss Public Relations Officer, the division webmaster is the driving Leader, and is happy for support team. We now in trail for YouTube promotion of events, if successful, we will take it further to for a program called *"What is Happening in Metro"*.

The Metro Division Conference was a high success with 27 contestants and a sensational educational program and plenty of stars around on the day, check out the photos on metro website. The Division team with many members supported to ensure it was successful day.

We now engaged with the upcoming Semi Annual Conference in November 2013 at Portside hosted by Area 8 and 18.

The Division is made up of Corporate (40%) and Community, and two Advanced Clubs and served by 7 Area Governors and their teams. This is supported by a strong Division Team.
