

TOASTMASTERS INTERNATIONAL

SpeechCraft

SpeechCraft workshops are designed to help you gain self-confidence by learning effective communication skills. You will participate in impromptu speaking, present prepared speeches and evaluate your fellow SpeechCrafters.

You will also have the opportunity to practice other important tasks such as proposing a Toast and introducing other speakers to an audience, plus much more.

SpeechCraft workshops are from 7pm – 9pm on Tuesday every week for 10 consecutive weeks at the Red Cross Ctr. in Nerang.

These workshops are completely FREE when you join Nerang Toastmasters.

On the first night you will receive your Toastmasters Handbook.

You will be working from this handbook which contains 10 speaking projects and you will also be supplied with other information to help you through the course.
