

CLUBS OF DISTRICT 69

PAST AND PRESENT

In Order of Charter Date

Revised: - October 2018

Statistics: - 190 ACTIVE Clubs
163 Suspended Clubs
13 Clubs Transferred to D90 - 1st July 2014

This section of District 69's history relates to clubs that have been chartered within the boundaries of the current district since 1958.

There would have been potential clubs that, for whatever reason, never gained sufficient momentum to be formally recognised by Toastmasters International. These have never been listed in any previous records.
