

BRISBANE DIVISION DIRECTOR

28th February 2019

Our Division DCP indicates that we have a base of 27 clubs, now 28 paid clubs.

100% of Area Reports were submitted for first visits.

Only 11 of 28 paid clubs, (39%) reported that a minimum of 4 executive club officers attended the second round of Club Leader Training.

Of the 28 paid clubs, six (6) clubs have achieved five (5) goals or more.

There may be a last-minute surge.

One Area Director resigned for personal reasons. The area now has a replacement.

Telstra Transit has a coach and enlivened interest.
