

NORTHERN DIVISION DIRECTOR REPORT

3rd March 2019

Northern Division currently have 24 clubs with a prospective club in Mt Isa.

Club visits by Area Directors were completed in full for first half of year. With the second visit currently being scheduled to ensure a timely completion.

First half and second half Club Officer Training was well attended. Combining results for the year clubs scored highly with 35 out of 48 sessions. 73% Club officers attended training with 4 or more officers per club. Both sessions had an increase of (non-officers) club members attending to take up the opportunity of learning further thought educational programs. Four areas had to re-schedule training during to flooding in the North. Although all training was achieved within the scheduled time line.

Eight clubs are at charter strength and have achieved five or more educational awards. Three more clubs require only a few more members to reach the minimal twenty. Educational awards are being achieved with a good mix of educational programs - Traditional and Pathways. There are ten clubs which has twelve members or less with currently three coaches supporting three clubs.

Strong connections and uniting via zoom we can together bring home this division, the areas and clubs to a strong and proud finish.
