

## **PNG DIVISION DIRECTOR REPORT**

**28 February 2019**

Our Division DCP indicates that we have a base of 15 clubs, but now have only 13 paid clubs.

Most of the Area Reports were not submitted for the first visit even though the Area Directors visited most of the clubs.

Three (3) clubs met the training requirements of a minimum of 4 executive officers at the first round of Training, and four(4) clubs did so at the second round of training.

Of the 13 paid clubs, two clubs achieved five (5) goals as of date.

Currently, there are nine (9) clubs above charter strength, There are two (2) clubs, eligible for coaches to be appointed due to low number of members.

We are following up with all the clubs to make the renewal payments on time. The invoices provided from TI are very helpful for the process. Thanks to the District 69 executives for facilitating the same.

Area Directors are scheduling their second visit with an aim to submit the reports in time.

Jayaprasad Ramakrishna

PNG Division Director 2018-2019
