MORETON DIVISION DIRECTOR REPORT

05 MARCH 2019

Our Division DCP indicates that we have a base of 16 clubs, but now have only 15 paid clubs.

100% of Area Reports were submitted for first visits.

Only 13 of the 15 paid clubs, i.e. 87% of the clubs, reported that a minimum of 4 executive officers attended the second round of Club Leader Training, which is significantly down from the 100% for the first round of training.

Of the 15 paid clubs, four (4) clubs have already achieved five (5) goals or more.

Currently, there are eight (8) clubs at charter strength, four of which have already achieved five (5) goals.

There are two (2) clubs, which only need one goal

This may change during the renewal period, on March 31.
