With the 2018/2019 Toastmaster's year gradually coming to an end, it's timely for our Vice Presidents of Education to check in with members to ascertain whether their goals for this TM year are going to be met. For some clubs it may mean running additional speaking opportunities for members who are wanting to finish strong. Clubs still have time to conduct a membership building campaign, host a speechcraft or run a public relations event. Just because the finish line is within sight does not mean it's time to slacken the pace.

Check in with your members, identify unrealized goals and make them happen!
Finish Strong together and celebrate an outstanding year of achievements.

District 69 ... together we are great!
