Other Information/Comments: All ADs report that they visit their clubs on a regular basis and have already started their 2nd round of Official Visits, with A 23 having completed all visits.

It has been an enjoyable year with monthly lunch meetings with our family of ADs who have all worked very hard in their Areas and all had successful Area Conferences.

The Southern Division Conference was also very successful thanks to everyone doing their part in making it so, and I thank all who took part.

I have enjoyed so much being part of the District team - it has been a wonderful opportunity to meet and interact with so many new people.
