Comments

It is hoped that membership will increase before 30 June 2019 and that clubs will achieve further Distinguished Club Program goals by then. I have been advised that Toowoomba Regional Council (TRC) Club has applied to their corporate sponsor for payment of their membership dues to Toastmasters International, but that payment is not yet showing in current figures.

The impact of the ongoing drought in many townships and rural areas in Western Division, and some resistance to the Pathways learning experience, have inevitably contributed to this downturn in club membership.

I want to sincerely thank the following Toastmasters for their ongoing support and encouragement:

- ✓ Immediate Past Western Division Director, Warren Hayden;
- ✓ Western Division Area Directors – Roger Moulton, Kevin Sherry, Lorraine Juliana, and Mark Snow (to 31 December 2018);
- ✓ TLI Co-ordinators - Warren Hayden, Paul Marangelli, and Zenda Kellock;
- ✓ Division monthly bulletin *Western Express* Editor, Charmaine Thomson;
- ✓ Club leaders of the 27 Western Division clubs;
- ✓ Judges and officials across the Division's Club, Area, Michael Mellick, Doug Power, Mel Keel, and Division Speech Contests, and
- ✓ Last but not least, my husband and Lockyer Valley IPP & VPPR, Graeme Becker.

I really appreciate their attention to fulfilling their Club and District missions, and upholding the four values of Toastmasters International – integrity, respect, service, and excellence – in enabling all our members to “Come grow with me” in 2018/2019.
