

Report: Eastern Division Toastmasters

EDD: Roy David

01 September 2022

This report covers in the main the COT to date and the proposed dates for the Area Conferences.

I have prepared a spreadsheet which I believe will make it easy to identify the clubs and the outcome of the training. It also indicates the dates of the Area Conferences.

One of the highlights of the COT at Griffith University on 17 July 2022 was the Panel Discussion. There was excellent feedback from particularly the incoming officers who received first-hand knowledge of their respective roles.

May I suggest that an open discussion be held about the merits of online training and face to face training.
