## First Charter Party

We are very excited to welcome Scenic Rim Toastmasters to the District. Their charter party was a joyous affair on 30<sup>th</sup> August.

They have been working on building their club for some time, and are very proud of their charter milestone.

## New Club Leads

We have a number of new club leads in PNG, and one in Fiji. Club Growth Extension Chair Christine Lennon has been very diligent and swift in contacting these leads, and we hope to see the clubs come to fruition.

Christine has also been a great mentor to others looking to start clubs in their area also, and I appreciate her support in this regard.

We are very excited that **PNG Unitech Staff** has chartered on 21<sup>st</sup> August, and the trio were proud to present the charter papers in person to President-Elect Radhi Spear on stage at the International Convention.

Further **FinCorp Toastmasters Club** chartered on 31<sup>st</sup> August.

CreditCorp, Nestle, Steamies and Santos are also close to being ready with paperwork to charter.

Pacifica Division is on fire!!

## Club Coaches

There is great progress being seen in member growth across our District. Most notably the number of clubs requiring a club coach has dropped down from 64 clubs at the beginning of the year, to 47.

## **Additional TI Requirements**

This year TI have introduced a new requirement of all Districts in that we submit a District Market Analysis and District Communications Plan by September 30. These have previously been recommended, but not required.
