

Central Division Report - 6 April 2025

The Central Division Conference was held on 22 March 2025.

While the finances of the Conference are still being finalised, the day was a great success with a high turnout and quality competition.

Congratulations to all our Toastmasters who will be representing Central Division at the District Conference in May and thank you to everyone who helped make the day a success.

Area Directors are well on their way to completing their Area Director visits, with 61% of visits already completed.
